

Toybox Photo Permissions

We are so excited to be updating our website and Facebook page, as well as improving our local advertising. We'd love to include some photos of the children enjoying their play in our lovely Gairloch surroundings to show what life at Toybox is like.

To comply with data protection (GDPR) and keep everyone's privacy safe, please let us know your preference by **ticking one of the boxes below**:

- ☐ **Everything:** The Toybox website, our Facebook page and the *Gairloch and District Times*.
- ☐ **Toybox website, social media only:** (Please do not include in the *Gairloch and District Times*).
- ☐ **Internal only:** Just for displays inside toybox or sharing directly with parents (not public).
- ☐ **No photos at all, please.**

Our Promise:

- We never use children's full names online or in the paper.
- Photos are stored securely and only accessed by the Toybox team.
- We will keep these permissions on file for as long as your child is at Toybox.

Child's Name: _____

Parent's Name: _____

Parent Signature: _____ **Date:** _____

You have the right to withdraw your consent at any time by speaking our team. Please note that while we can remove photos from our website/social media immediately, we cannot withdraw photos already published in printed newspapers or printed advertising.
